Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 24 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly fine weather into the weekend.

This Evening and Tonight:
Largely cloudy through the evening and night. Many areas staying dry, although some patchy light rain or drizzle is possible over high ground. Winds easing throughout. Minimum temperature 14 deg C (57 deg F).

Saturday:
Rather cloudy to start with some drizzle breaking out over high ground. Turning dry for most into the afternoon with warm sunny spells at times and light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Sunny spells with some showers possible on Sunday, before a band of rain arrives overnight. Scattered, blustery showers on Monday and Tuesday, heavy at times with possible hail and thunder.
